ANIVADO is celebrating its 10th Anniversary! & Anniversary Promotion

On November 17, 2013, [David van Doorn PhD](#), started his consultancy company (EQUIVADO) and began the development of the ANIVADO course platform.

The 10th anniversary of ANIVADO coincides with a significant upgrade of the online ration program, FRASC, used in various online and live courses offered by ANIVADO. FRASC is for example used in the online ANIVADO course '[Global Equine Nutrition I](#) (GEN I)' by David van Doorn, PhD, and Andrea Ellis, PhD. Part C of this online course specifically addresses FRASC. The [GEN I](#) course is available in [English](#) and [Spanish](#).

In honour of the ANIVADO anniversary and the launch of the updated online ration program, it is possible to purchase ANIVADO's online courses with a 20% discount until January 1, 2024.
